IQAC - Alumni Feedback summary report

To assess the experience of the alumni of GCE, an alumni feedback form was used. The form sought information on thirteen parameters using 5-point likert scales. In all of the parameters, we have positive feedback . 62% of the respondents strongly agreed that GCE has contributed towards achievements in their respective lives significantly, whereas, an additional 28% of the respondents agree. None of the respondents reported disagreement, while 10% were neutral. 92% of the respondents feel proud to be part of the alumni circle of GCE.

The respondents were in general satisfied with the facilities provided. 92% reported that courses were covered in the classes and 87% were satisfied with library facilities . 84% of those who availed the internet and computer facilities were satisfied . 65% of the respondents who were involved in the R&D projects provided positive feedback, while , 21% were neutral with their experience of the given facilities. 82 % provided positive feedback for the infrastructure facilities. Most of the Alumni feel a sense of duty towards their alma mater. with 95% willing to contribute towards the development of GCE and the rest 8% being neutral. The following charts summaries parameters wise response received.
