## IQAC - Parents feedback Report (2020-2021)

Parents feedback was collected on several parameters on a five-point likert scale and the report is very encouraging . 50 percent of the parents strongly believed that the college environment is conducive to the processes of teaching and learning. In addition , half the parents have also reported a significant development of their ward's overall personality since joining college. Three fourths of the parents believe that GCE has facilitated the desire for self study and their wards and that, their wards have developed an orientation towards genuine research. To add to that, majority parents agree that the college has a satisfactory system of monitoring students. progress and that it succeeds in providing values based education. more than 80 percent of parents believe that the college promotes logical and critical thinking and it has adequate provisions to enhance technical knowledge learning resources provided by the college, including facilities like internet access, library resources assessed the discipline practices implemented in college as highly adequate. close to 90% of parents, also experience a sense of pride when their graduates from GCE
