Agenda 1: Verification of the preceding meeting's minutes.

Discussion: The chairperson the minutes and action taken report on it of earlier meeting.

Resolution: All members confirmed the minutes and were pleased with the action taken report.

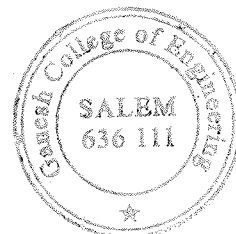

Agenda 2: Go-ahead that can provide seed money.

Discussion: The research committee conducted a lengthy debate on these matters and came to the conclusion that funding is necessary to start a research project for teachers and post graduate students.

Agenda 3: Acceptance of sending a minor or major research project.

Discussion: According to the earlier meeting's decision, proposals for both minor and significant research projects should be sent in order to secure funding for advancing research and enhancing laboratory facilities.

Resolution: The submission of proposals for both minor and big research projects was approved.

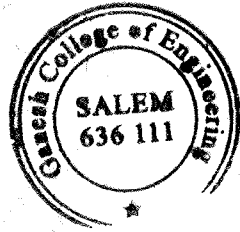

Agenda 4: Permission to send the workshop/conference proposal.

Discussion: Conferences and workshops are crucial for picking up fresh perspectives and methods that help you be more productive at work. In each academic year, it was planned to have two to three conferences and workshops.

Resolution: Permission was granted to hold a conference or workshop and to submit a proposal.

Agenda 5: Approval for pre-Ph.D viva.

Discussion: Three months before the final submission of thesis, a candidate will have to make a pre-Ph.D. presentation in the concerned department. Hence the permission was granted by committee and allowed to conduct pre-Ph.D seminar for final submission.

Discussion: According to the earlier meeting's decision, proposals for both minor and significant research projects should be sent in order to secure funding for advancing research and enhancing laboratory facilities.

Resolution: The submission of proposals for both minor and big research projects was approved.

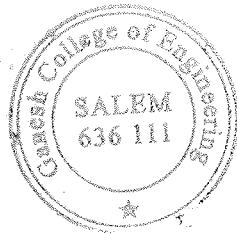

Agenda 4: Permission to send the workshop/conference proposal.

Discussion: Conferences and workshops are crucial for picking up fresh perspectives and methods that help you be more productive at work. In each academic year, it was planned to have two to three conferences and workshops.

Resolution: Permission was granted to hold a conference or workshop and to submit a proposal.

Agenda 5: Approval for pre-Ph.D viva.

Discussion: Three months before the final submission of thesis, a candidate will have to make a pre-Ph.D. presentation in the concerned department. Hence the permission was granted by committee and allowed to conduct pre-Ph.D seminar for final submission.
