On 27.02.2024 Alumni Association Celebration took place at Seminar Hall, GCE, Salem. On this auspicious day our Chairman Thiru M. Thangavel and Mr. T. Vijayganesh, Secretary were the chief guest of the program.

It was a day filled with excitement, emotions, and nostalgia as the alumni, both recent and older, came together to relive their school days and connect with their old classmates and teachers. The aim of the meet was to reunite the students working in various places and to recollect and rejoice the college memories and helped to share their work experience, added to that Alumni students were vital role in development of the Institution and had responsibility in their shoulders. Totally 76 Alumni Students were Attended the alumni meet.

The most emotional moment of the event was when the alumni took a tour of their old classrooms and campus, reminiscing about their school days. After the tour, the alumni had a chance to reconnect with their old classmates and teachers over refreshments. It was heart-warming to see the excitement and joy on the alumni's faces as they shared their experiences and memories of their time at the school. It was indeed a great opportunity for the alumni to catch up with their old friends, network with each other, and build new connections.

The Annual Alumni Meet was a grand success, as it provided the alumni a chance to reconnect with their alma mater and with each other. The event was not only a celebration of the school's legacy, but it was also an opportunity for the alumni to network and to give back to the school in various ways. The event ended with a promise to meet again next year, for a yet another successful Annual Alumni Meet.

## Alumni Association

Alumni Association of Ganesh College of Engineering provides a platform that helps Alumni to maintain connection with the college and fellow graduates. It also plays a pivotal role in helping to shape the future of our college, through alumni contribution, to build an engaged and supportive community. The association fosters a spirit of loyalty to promote the general welfare of our organization and supports our institution goal. Ganesh College of Engineering takes pride in having a friendly and healthy relationship with the Alumni. The primary function of Alumni association is to start the network of former graduates, who will in turn solicit donations that helps the institution to branch out its fame. Successful graduates from the association can help with career development of other graduates, who are pursuing, and also for other graduates in the association.

The association should also adopt core values of excellence and advocacy. It also conducts certain special social events for the students to be felt connected with the college and hence developing working relationship with other Alumni council members. It also functions as a great resource to grant scholarships, job postings, and online resources for job seekers.
